ii) The Race Director may impose drive through or stop/go penalty for infringements such as Exceeding Track Limits & Pit Lane Speeding, and on doing so must immediately advise the Stewards of any such penalty he has imposed.

iii) Should a Drive Through or Stop/Go Penalty be given, the following procedure will be applied:

a) The competitor will be notified as soon as possible by means of a board displayed at the Start line and the team / entrant will be notified where possible via the official timing screen monitor.

However, the stop period may be increased to 20 seconds if speed exceeds the Pit Lane Limit by 10 kph.

However, in any instance a competitor is not permitted to enter the Pit Lane to take a Drive Through Penalty during a Safety Car Intervention period, which for this purpose is deemed to have ended when the car subject to the Penalty passes the Green Flag at the Start / Finish line on the track.

viii) Should the above penalty/s be imposed during the last five laps, or after the end of a race, then a thirty second time penalty will be added to the elapsed race time of the competitor concerned.
